Contents 10 Lurem Dispensers

APPLICATION

- Use 1 Lurem T dispenser every 100 sq metres.
- Peel off the foil seal from dispenser to start release of the attractant.
- Place the dispenser against the sticky trap or hang no more than 3 centimetres from the sticky trap.
- Suspend the sticky trap and Lurem T dispenser just above the crop (max 30 cm).
- Change Lurem T dispenser every month or more frequently under periods of high temperature.

Keep Lurem T refrigerated prior to use.

Use 1 Lurem dispenser every 100 sq metres.

CONDITIONS OF SALE

AgNova Technologies Pty Ltd shall not be liable for any consequential or other loss or damage relating to the supply or subsequent handling or use of this product, unless such liability by law cannot be lawfully excluded or limited. All warranties, conditions or rights implied by statute or other law which may be lawfully excluded are so excluded. Where the liability of AgNova Technologies Pty Ltd for breach of any such statutory warranties and conditions cannot be lawfully excluded but may be limited to it re-supplying the product or an equivalent product or the cost of a product or an equivalent product, then the liability of AgNova Technologies Pty Ltd for any breach of such statutory warranty or condition is so limited.
